

12th December 2024

Dear Parent/Guardian,

As the next part of the English Literature GCSE course, your child will study a 19th Century novel. All students will be studying *A Christmas Carol* by Charles Dickens.

We will read and study the text over the Spring term, ready for the GCSE examinations in May/June 2026. We therefore strongly recommend that your child has their own copy of the text so that they can annotate it with key information within lessons. It would also be advantageous for their independent learning and revision.

The text is available for purchase from various bookshops and online suppliers. However, you are able to buy it directly from the school via wisePAY, at below the RRP.
