

26th February 2025

Headteacher - Patrick Earnshaw

Deputy Headteacher - Mathew Downs

Dear Parents/Guardians,

I am writing to inform you that we are selling the CGP complete revision guide and practice for GCSE maths, tailored to the exam board your child is studying, OCR for foundation and Edexcel for higher. These resources will support students in their revision and help ensure they are fully prepared for their upcoming exams.

The books are available for purchase at a cost of £6 each, retail price is £12. Payments can be made through WisePay, and once purchased, students will be able to collect their purchased books from MA7 every Tuesday at lunchtime. The revision materials will provide comprehensive coverage of the course content and practice questions to aid in exam preparation.

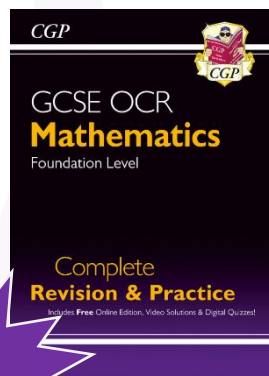

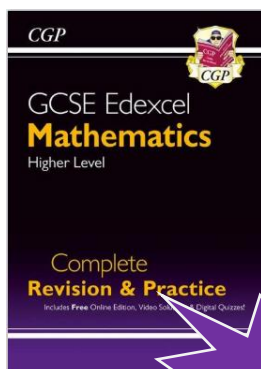

A reminder that the library also stocks scientific calculators (£13), exam packs (£2.50), protractors (50p) and compasses (50p) for purchase. These can also be purchased through WisePay and are **required** for GCSE maths exams.

If you have any questions or need further information, please do not hesitate to contact me via office@highcliffeschool.com. Thank you for your continued support in helping your child succeed.

Yours faithfully,

Mrs Bevan  
Head of Mathematics
