

**6th November 2024**

Dear Parents & Guardians,

### **The Science Behind the Magic club**

Today we launched The Science Behind the Magic club to the year 7s.

It is a brand-new club to the school and it is a science club with a Harry Potter theme. It will involve lots of hands-on experiments and new science opportunities to experience.

The club will run on a Wednesday from 3pm to 4pm, for 10 weeks starting on the 15<sup>th</sup> January ending with a trip to Harry Potter World (date tbc)

We are asking £30 per student for the club to cover the costs to Harry Potter world.

As there are very limited spaces available, we have asked the students to REGISTER THEIR INTEREST on WisePay this does not guarantee a space. Nearer Christmas names will be picked out of the Sorting Hat.

Only when your child's place has been confirmed will we request the £30.

Kind Regards

Mrs Hooper
