A Very Big Thank You! Together we collected 374 Christmas shoeboxes for our appeal!

It's Enterprise Week! This is a national celebration of enterprise where thousands of activities are run by organisations across the UK to encourage people to unlock their enterprising talent. Last week the focus for PHSE and Assemblies was 'Enterprise' and how it relates to you and what you can do to develop your enterprise skills. This week there are various activities happening in and around school to allow Highcliffe students to have more opportunities to be enterprising. Monday is the national Make Your Mark challenge where 8 teams from each tutor group in Year 9 will be participating in a competition for the whole day, where they have to think of a new product/service and present it Dragon's Den style to a panel of judges. Highcliffe students have represented the school at the regional finals for the past 2 years so we have high hopes for this year's entries in the search for some 'Top Bananas!'. Please support the other events that are taking place, including the Talent Show, the Day of Bliss and the tutor activities that will have an enterprise theme. Mrs Finch.

There is more information about the Week on www.enterpriseweek.org.uk under the 'about' section.
