Eco Club - Monkey World Appeal

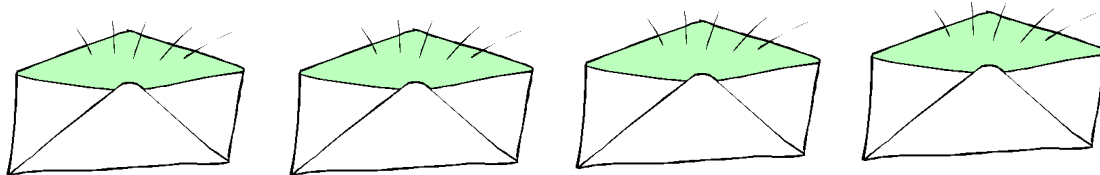

It has been brought to our notice by 2CRFM that the monkeys at Monkey World have been starting to feel the cold due to a shortage of towels! It seems that the monkeys use these items to make nests, snuggle in to keep warm and even to play the occasional game of tug-o-war!

We have been asked to offer our support to prevent the chimps from getting chilly and would therefore like you to dig deep in your airing cupboard and send any old towels into school as soon as possible. We will pass these on to 2CRFM to deliver to our freezing friends! Please take them to Mr Craven in room SC9.

BRAINTEASER

Fifteen pennies are placed in four envelopes and the envelopes are sealed. It is possible to pay someone any amount from 1p to 15p by giving them one or more envelopes. How were the pennies distributed between the envelopes?

Answers to be submitted in the brainteaser box in Ma6 by Friday 6th March.
