

Highcliffe School Student Bulletin

Monday 21st - Friday 25th September 2009: **Week A**

Thought For The Week:
"Pain is temporary. Quitting lasts forever."
Lance Armstrong

Open Evening: This year's School Open Evening is on Thursday 15th October, 6.00pm - 8.00pm. There are plenty of opportunities for students from all year groups to get involved. You could show parents around, or help out in a curriculum area. More details of how to help will be in the next Student Bulletin - watch this space!

Reminder to all students: **please return the PE consent letter** if you want to participate in extra-curricular clubs and fixtures. Thanks, Mrs Webber.

Cyclists: do not wear earphones when riding your bikes!

At the end of school day: In an effort to improve safety for students and staff, would all students who have pedal cycles please leave by the new centre gate. All students who are on foot or are being collected should leave by the main Student entrance gate.

I am currently seeking submissions for the **Highcliffe Anthology**. Poetry and short stories (no longer than 500 words) would be fantastic. This could be writing that you have done at home or in a lesson. You may have done a diary entry for a soldier of WWII for history or a poem in geography. All entries will be considered. Please e-mail me work at hpearson@hs by 30th January. Mrs Pearson.

Instrumental Music Lessons: A reminder that students need to check the time of their class on the music notice board in the PE corridor. Students should be letting teachers know at the start of a lesson if they will need to leave during the lesson for an instrumental music class.

'Bookies': Do you like to read? Do you often discuss with your friends the latest book you have been reading? If so you might like to join 'Bookies' Book Club. We meet informally on Wednesday, Week A at 1.30pm in the Library. We discuss our favourite books and poems and review them for the rest of the school. We are also part of the Carnegie shadowing group and post our reviews on their website, which is accessed by schools all over the country. Our first session will take place on Wednesday, 23rd September. We would love to see you. Mrs Pearson and Mrs Wheeler.

ICT Club: Monday - Friday in IT3 and IT4 for Years 7 - 11.

Year 7, 8 & 9 students don't forget to cash your merits in! Bring your organiser to the Library, 1.40pm onwards on Monday, Thursday & Friday lunchtimes.

THINK OF THE WEEK: Where do thoughts come from?
