

Highcliffe School Student Bulletin

Monday 14th - Friday 18th February 2011: **Week A**

Thought For The Week:

*"The more that you read, the more things you will know.
The more that you learn, the more places you'll go."*

Dr Seuss

The Great Book Swap on Thursday 3rd March (**World Book Day**) in the Library at 1.30pm. Donate good quality, clean, reasonably new books, either fiction or non-fiction, and receive a voucher for every book donated! Then come along on Thursday 3rd March and swap your vouchers for some new books to read! Mrs Wheeler is now accepting donations for the Book Swap in the Library and with every suitable book donated you will receive a orange/yellow voucher to use on the day.

Spelling Bee - Congratulations to the following students who come first, second, third and fourth respectively in Highcliffe Schools third Spelling Bee: Lauren Stevens, Amina Essalmi, Keira Page and Emma Fletcher. It was hard fought especially for the final two places and there was plenty of good-humoured support. All he took part did well. I can assure that the words were by no means easy. Have a go yourself. Try these: aardvark, hypothermia, gyratory ... **Mr Bryden.**

Year 10 Mathematics Unit 1 resit sessions: Tuesday 3.05pm - 4.05pm in the maths huts. Reminder - the exam is on Monday 7th March (am)

Ballard & Highcliffe Lecture series: Following the success of last week's lecture given by a local sculpture please note that the next twilight lecture will be on Tuesday 1st March, directly after half term. It will be given by Hannah Snelgrove, an ex-Ballard student, who has gone on to enjoy success as an international sailor and has recently been selected for the Skandia Team GBR Olympic Training Group. Come along with friends and family and find out how she struggled through illness to reach the height of her sailing career so far.

EcoClub: We are starting to get into the time of year when EcoClub gets busy. The school garden will soon be bursting with produce, but only if you plant it! The wildlife area will be full of interesting flora and fauna-but only if it is maintained!

We need help make the school an environmentally friendly site - currently there is much to do with maintaining recycling, sorting the wildlife area out and starting to plant seeds to get the garden going. If you are in year 7 or 8 and want to get green fingers, come along on Thursday after school!

I WONDER... Do you have to have been unhappy to feel happy?

Year 9 Rock Challenge Performance in the Gym: Tuesday 15th February at 1.30pm, Year 9 GCSE Dance and Expressive Arts Students will be performing their Rock Challenge entry this Year called, 'That's Entertainment: Beauty and the Freak! Come and support the Year 9's entry 20p.

MUSIC NOTICES
