General Notices

The Big Walk Sponsorship Money

This is a very important message to remind all students to bring their Big Walk sponsorship money to the Finance office as soon as possible. Payment can be made via WisePAY or by cheque. **Amount raised so far £8585.80.**

Our Japanese friends are coming (DBN)

Would you like to make friends with someone from a very different culture and country? In March, we will be welcoming 13 students from our Japanese partner school in Hiroshima, Japan. They will each need somewhere to stay and someone to look after them around school. If you are interested in learning about different cultures and telling people about ours, this is a great opportunity to make friends with someone from a very different culture. If interested, make sure you get a letter from your tutor or see me (Mr Bryden.) You can find me in ML4 in registration and En1 during the day.

Year 12 Robotics Day (VDN/DKY/ SCR)

On Thursday 25th February 2016 35 Year 12 students will be working with Bournemouth University ambassadors on a robotics event. The students will programme robots to play table tennis! It promises to be challenging and fun. The students named below will be out of lessons all day but **MUST** see their teachers for work they will be missing.

Year 10 Immunisations (KTN)

Year 10 Immunisations 1st and 8th March. Please make sure you bring in your Immunisation Consent Forms to Student Support. They were posted home to parents on 3rd February. Thank you. Mrs Thompson.

Year 10 Mock Interview Programme. (Mrs Dedman)

The first round of Mock Interviews will take place this **Thursday 25th February 2016**. We are confident that the Year 10's will rise to the challenge and once again be great ambassadors for Highcliffe School. You will be given an individual interview time slip that you will need to show your subject teacher to allow you to leave class. All interviews will take place in the Library. Make sure you have read the preparation sheet that has been given to you by your tutor, and that you have a copy of your completed CV and personal statement in your portfolio. Also, remember to bring in something you are proud of (certificate/piece of work/awards etc.) to act as a prompt for discussion with the interviewer. Please arrive 5 minutes BEFORE your appointment time to the Library entrance by En8. Good luck!

Year 9 BLITZ Road Show (MRD)

On Wednesday 24th February you will be off timetable during periods 1-3 to take part in a 3 hour PSHE road show. It will involve a series of workshops on alcohol and antisocial behaviour which are run by Dorset Police, Dorset Fire and Rescue service and S.H.A.D.O.W.S (Shire Alcohol and Drugs Outreach Worker Service). Your tutor will tell you where you will need to be and when on that day.

As part of the preparation for that day, we have been asked by the Safe School Community Police Team for you to take this survey to find out what you already know about these issues. Please click on this link to complete: <https://www.surveymonkey.com/r/HighcliffeSchool-PreBlitz2015-16>

If you would like any more details about this day, then see Mrs Read in Hu7.

Year 10 Study Skills Day (DKY/VDN/SHM)

On Wednesday 26th February we are running the year 10 Study Skills Day. Please find attached to the bulletin a list of the student and the sessions they will be attending (periods 1 – 5).

Focus on Connectives

CONNECTIVES FOR DEVELOPING AND EXPANDING POINTS

One way in which you can PUSH YOURSELF in your writing is to show that you are not satisfied with making one simple explanation and that you are willing to develop ideas when appropriate. This shows RESILIENCE and RESOURCEFULNESS. Here are some connectives that can help students develop points:

Furthermore,

In addition to that ...

Make sure you use them in your writing when being asked to give explanations and develop ideas.

SPELLING

In the student planner there is a “Word Wall” on which students can write troublesome spellings. If you have corrected a spelling, students should write the word on their word wall so they can practise it. The “Word Wall” is on page 183.

SPELLING OF THE WEEK

Government

Example: The government runs the country.

Words with silent or unclear letters:

A Way to Remember: Use the spelling of the root word. Sound out clearly.

The government runs the country.

Councils govern the local area.

Practise finding the root word that makes the larger word.

Polli:Nation

Year sevens needed to help encourage pollinators in our local environment!

Having submitted a joint application as a school 'cluster' back in October 2015, we have been selected out of 260 schools across the UK that applied to participate in this unique programme.

Over a period of three years, we will now be supported by a Polli:Nation facilitator from Learning through Landscapes- the national school grounds charity responsible for the project.

Linking to the National Pollinator Strategy our school will now explore how we might:

1. Grow more flowers, shrubs & trees
2. Let it grow wild
3. Cut grass less often
4. Don't disturb insect nests and hibernation spots
5. Think carefully about whether to use pesticides

We will be recruiting teams of lower school students to work closely with other local schools and help develop a pollinator friendly environment!

If you are interested in participating in this project please contact Mr Craven in SC12

Meet author Jason Rohan

**Highcliffe School Thursday 3rd March
at break-time in the library.**

As part of the school's World Book Day celebrations on Thursday 3rd March 2016; we are delighted to announce that published author Jason Rohan will be visiting the School. He will be giving two interactive workshops on what it is to be an author and how to write creatively.

At break time Jason will be in the school Library to answer any questions that students may have. This will also be an opportunity for students to purchase signed copies of either of Jason's books at the price of £4.20. This is 40% off the recommended retail price. Of course there is no obligation for any student to purchase a book. The books are available on Wisepay and students will receive the signed book on the day. There will also be some available to buy on the day.

Copies of the first chapter of Jason's debut novel, *the Sword of Kuromori*, are available in the Library for students to read. This will whet their appetite before World Book Day. (Students who have already read this chapter have really enjoyed it and are looking forward to reading more)

Praise for Jason includes:

'For lovers of action adventure, The Sword of Kuromori combines Japanese mythology with a modern setting, in which our hero and a kick-ass girl battle demons; distinguished by witty repartee and a vivid, expert knowledge of Japan and its culture.'

Nicolette Jones *Sunday Times*

'Present day Tokyo provides the setting for this furiously paced and entertaining adventure story. This debut author ups the thrill content by introducing a range of mythical Japanese monsters as our hero - ably supported by a motorbike-riding female sidekick - battles to stop a catastrophe, never sure of who he can trust.' **Guardian Best New Children's Books, Summer 2014**
