

April 2015

Dear Parent,

Urgent Bring-A-Pound Day for Nepal on Wednesday 6th May 2015

As you may have seen in the news, a devastating earthquake hit Nepal last week. Children and families were helpless and terrified as it toppled buildings and destroyed roads and infrastructure around the capital Kathmandu. More than 5,500 people are reported to have died with 50,000 more trapped in rubble.

Unicef is on the ground, delivering clean water and other life-saving emergency supplies for children and families. One in four of Nepal's population are children and Unicef are urgently assessing their needs. Unicef urgently need our help so they can help more children.

That is why we're holding a Bring-A-Pound Day for Nepal next week. On Wednesday 6th May I am kindly asking that your child brings in a donation of £1, or any small change you can spare, to help Unicef's relief efforts in Nepal. For every £11 we collect Unicef can provide 1 family in Nepal with clean drinking water. Payment should be made using the school's on-line WisePay facility (under 'Tickets and Events'). Information regarding this can be found by following the Letters' link on the Parents' section of the school website (<http://station1.highcliffe.dorset.sch.uk/intra/default.asp?id=2428>) Receipts are generated automatically on WisePay and sent to the email address you supply when making the payment. Please note this is **not** a mufti day, simply an urgent collection for charity.

Students have learnt about the earthquake in tutor time and we will give them further updates as we receive them from Unicef UK, ensuring that they know how their £1 is helping to keep other children safe.

Thank you in advance for your generosity.

Kind regards,

Mr P Earnshaw
Headteacher
